## **Organ recital at St Margaret's, McLaren Vale Sunday 24th November, 2.30 pm**

In 1995, the late Greg Trott of McLaren Vale, a Warden of St Margaret's for many years, purchased a fine 3 manual, 40-stop English Romantic organ from Crafers Church of the Epiphany, and set about having it rebuilt for his Wirra Wirra winery. The organ, which included a beautiful new console made from wine-barrel jarrah, has been in limbo since Greg's death in 2005, stored in a 20 foot shipping container.

"Friends of the Greg Trott Pipe Organ Inc." has been formed with the ultimate objective of installing it somewhere in the McLaren Vale region for the benefit of the whole community. The organ, without pipes as yet, is at present in Greg Trott's old church, St Margaret's, and is being reconfigured as a "virtual pipe organ", using modern computer software and sampling techniques to make the operation and sound of the instrument as close as possible to the real thing.

The first public performance of the organ will be on 24th November, when a Greg Trott Organ Fund will be launched. *There will be no charge for attendance, but there will be an afternoon tea to follow, so for catering purposes please contact Rosemary Nairn [rnairn@ozemail.com.au](mailto:rnairn@ozemail.com.au) or 0419 832 187 if you would like to come.* Future concerts will be fundraisers for the Greg Trott Organ Fund and our Pastoral District.

Guest organist on the day will be Senior Organ Scholar at St Peter's Cathedral, Alexander Paine, who will play a number of pieces to show off the organ's capabilities. Some of our local organists will also play, and the audience can enjoy singing some famous hymns to the glorious accompaniment of a grand pipe organ.

Please note : any information or photos to be included in the next *Grapevine* must be in by **Sunday 24th November** for early printing. Send to the Editor, Anne Chittleborough, at 23 The Esplanade, Pt Willunga 5173, Ph 8556 5078 or email [machit5@bigpond.com.au](mailto:machit5@bigpond.com.au). A reminder that with *The Grapevine* appearing on the parish website <http://www.southernvalesparish.org> and including photos and some contact details, you should notify me (contact details above) if you don't want to have anything about you included in *The Grapevine* in this format. For photos of children, permission slips (available at your church) must be filled out by parents/grandparents.

## ADVENT STUDIES

This year's study is titled "Expecting Christ".

*The writer Graham Greene famously said that there is always one moment in childhood where a door opens and lets the future in. In this course we look at several moments in our faith and lives where a door opens and lets Christ in, catching the sense of expectancy which not only comes at the season of Advent, but throughout the year. In particular, we will be thinking about how Christ can surprise us and meet us in four distinct contexts: in family, in ourselves, in prayer and in the end.*

Studies will be held on Wednesdays at the Rectory at 10 am, from 27th Nov, and Thursday nights at the Rectory from the 28th November. Other venues t.b.a.

For enquiries and the course booklet (\$8) speak to Fr Paul.

## Fr Paul writes...

*I am sure many of you are considering plans for this Christmas with family and friends. I hope those plans include the very reason why we mark this time of the year, and that is celebrating the birth of Jesus Christ 2000 years ago. We should spiritually prepare ourselves for this celebration, just as we prepare for any celebration.*

*The Four Sundays of Advent leading up to Christmas recall the history of God's people and reflect on how the prophecies and promises of the Old Testament were fulfilled. The meaning of the word Advent is 'coming'. Here we prepare for the Lord coming in a manger, in becoming one of us as a human being.*

*There are numerous ways in which we can prepare ourselves for Christmas, besides buying presents and the turkey. In preparing ourselves spiritually, I encourage you to take the time out to attend our Sunday services and also to attend our Advent studies. The study this year is called "Expecting Christ". The course is spread over four weeks starting later this month. It will enable us to think about how Jesus Christ can surprise us and meet us in distinct contexts (see p. 2). The course will be run at the Rectory at McLaren Vale at 10 am on Wednesdays and 7.30 pm on Thursdays.*

*A disturbing aspect of this coming Christmas for me as we prepare to celebrate it is the number of people who have been displaced through civil war, and with it, the persecution of Christians. The civil war in Syria has seen 600,000 Christians leave the country. It is estimated that 600 have been martyred for their faith. The future for those who remain appears bleak. The number of safe places for the remaining 1.4 million Christians is running out and we need to pray that Christians in Syria will know that no matter how desperate their situation becomes, God will be their help. We need to pray for a peaceful outcome to the conflict, that will not further marginalise or endanger them.*

*There are various appeals that are helping Christians in Syria. The Anglican Board of Mission is running an emergency appeal in association with the Anglican Alliance. See [www.abmission.org](http://www.abmission.org) The Aid Agency of the persecuted Church, Barnabas Aid, is also helping. More than two million dollars has been given to help displaced and suffering Christians in Syria. More information about the Barnabas Fund can be found by visiting [www.barnabasfund.org.au](http://www.barnabasfund.org.au) or phoning 1300 365 799. Its address is PO Box 3527, Loganholme, Queensland, 4129.*

*The National Council of Churches also has a Syria Crisis Appeal. There should be envelopes at the back of our churches to donate to this appeal. Otherwise, you can do it directly by going to [www.actforpeace.org.au/syria](http://www.actforpeace.org.au/syria). If you are wondering what to give someone this Christmas, why not consider giving a donation to one of these church agencies on their behalf?*

*with every blessing in Christ, Fr Paul*

## Around the traps...

### From St Margaret's, McLaren Vale

A **inspection of the Rectory** was carried out by the Wardens of St Margaret's to observe if there are any maintenance jobs that need to be attended to. Generally the Rectory is in good condition given some paint work and a working bee to clean the gutters etc. This will be organized within the next month.

The **monthly Parish meal** at the McLaren Flat Community Club on the 11<sup>th</sup> of October went very well with increased numbers of diners, a great atmosphere and excellent cooperation between the Volunteers. As usual our Master Chef, Helen Roberts and her offsider Greg produced an excellent meal and feedback indicated that diners were very pleased with the standard and presentation of food.

The **new printer/ photocopier** has been installed in the office at St Margaret's. Training has been carried out and feedback indicates that the choice of the machine and its functions will be a great asset for the PD.

Guess who forgot to put their clock forward on the day light saving weekend. We hummed a hymn or two before he raced in the door after a desperate phone call from Father Paul. Just shows you how much we rely on our clever organists to ensure the smooth running of the services. We forgive you Greg J.!

## Around the traps (cont'd)

### From St Philip & St James', Old Noarlunga

Our thanks to the clergy and organists involved in our regular Sunday services. We regret that Bishop Stanley is no longer able to take regular services at SSPJ. We truly appreciated his ministry to our congregation.

We were pleased to have the opportunity to present names of loved ones on the occasion of the All Souls Eucharist at Willunga.

We are grateful to the Wardens and congregations of St Margaret's for their particular attention to the church, hall and Rectory, something that we tend to take for granted.

Members of our congregation have been regularly involved in a number of whole parish activities as well as caring for our own buildings and surrounds.

We are continuing negotiations with local CFS and MFS groups regarding the vegetation growth on the perimeter of our property. Our footpath continues to be a site for dumping unwanted goods. Geoff Grummitt who uses the northern paddock has attended to the mowing and keeps an eye on our property.

*Wallace Mausolf & Stephen Wells, Wardens*

*Lewis Barton of SAMFS sent the photo above of training exercises adjacent to the church at Old Noarlunga.*

*Photo: S Wells.*

*Daniel Morgan and Anya Smyk were married at St Philip & St James' on Sunday 6<sup>th</sup> October.*

### Sister Bev of St Margaret's McLaren Vale writes:

Thank you Lorna McGaffin for your tireless work on the flowers throughout the year, and the church helpers, including Greg and Helen Roberts who have lately taken on extra volunteer cleaning work for us. Without willing helpers we would all be lost. Many thanks to all our devoted helpers.

### From St Ann's, Aldinga

We welcome back those who have returned from holidays and continue to pray for those who are away due to illness and those who have suffered bereavement. We miss Pat Roper and wish her daughter well as she recovers from surgery.

Our **organ** went on strike while our organist was away—it must have been missing Brian! We were grateful to Sue MacKirdy and Greg John who played in Brian's absence, and to Greg John for bringing his portable organ with him. The organ problem has now been sorted out due to Brian's persistence.

The **Vestry window** is about to be removed and rebuilt by Southern Joinery.

The October **Family Tea** provided much fun and laughter including discussion of plans for the Concert on 13th December. It is rumoured that some of the glamorous and outrageous concert hats designed by Cath Davidson will get an airing for the Melbourne Cup!

### Advent Pageant at Aldinga, Friday 29th November

See the children's faces as they process from the schools to the shopping Centre to watch the Nativity play and join in the carols.

To take part in this heart-warming ecumenical event contact Graham Benger (8556 6689), or Barbara Walter (8556 3550) to be a marshal, Margaret Hooper (8556 3310) to make cakes) or Pam Rowney (8556 3924) for setting up. Or just come and be there! A volunteers meeting will be held at St Ann's at 4.30 pm on Monday 4th November. All welcome.

### From St Stephen's, Willunga

Thank you Fr Ed for officiating on Saturday September 21<sup>st</sup>, and **thanks** to Trish Frith for Eucharistic Assistant duties on Saturday evenings. Bevan & Lucy Creed cleaned the church once in mid-September. Thanks also Gillian Clampett for assisting Margaret.

The external toilet just survived the third **fallen tree**; this time a large trunk as well as branches. Thanks to the SES for promptly attending and cutting this trunk and branches into manageable small pieces. This wind-assisted fall destroyed the vent pipe completely, so a new pipe and attachment are required. Cost about \$100. Firewood is available at St Stephen's!

Still investigating a **solar light** for the external toilet.

**Suggestions for planting** the area around the pepper-corn tree are welcome. Lavender, salt bush and native grasses have been suggested. Should the focus be on native plants? It has also been suggested that almond trees be planted in the western section of the block.

The last **Saturday Night Out** was attended by 16 people and we had an enjoyable evening. It was an especially significant occasion as it was 12 months since Bob Bishop died. Jac and daughter Sally attended the 5.30 pm Eucharist and then the dinner. The next dinner, the final one for the year, will be on Saturday 16th November after the 5.30 Vigil Mass. (To book ring Ted 8556 4535 ).

The **Vigil Mass** is on Saturdays at 5.30 pm. Do come, especially if at any time you are unable to attend a Sunday Service. During the Spring and Summer drinks (sparkling wine) and nibbles (cheese and dips) will continue.

*Ted Sandercock & Margaret Cameron, Wardens*

**It's Sausage Sizzle season at Willunga Quarry Market** as our PD takes its turn to raise money for support of the Christian Pastoral Support Workers (Chaplains), who do such valuable work in our schools.

Below: Margaret & Bill Cale, Fr Paul and Wendy Sandercock take a breather between sales on 12th October. The next Sausage Sizzle will be at the Quarry Market on Saturday 9th November.

Come to help—or to eat!

### A Combined Guilds' Christmas Afternoon

**Tea** is planned for Monday 9th December, in the beautiful surrounds of the Peacock Farm, Willunga. It is hoped that this occasion might be shared by some of the many people who have assisted and supported the Guilds in their work for the churches in so many ways over the year — catering, cleaning, arranging flowers etc . You know who you are—please do join us. Bookings to Trish Frith 8556 2604. **\$10**

### The Christian Care and Support Centre is packing Christmas hampers !

We are now collecting goodies for Christmas Hampers. If you can help, please leave your donation at your Church before Friday 6th December. There is a list at each church of items needed. **Thank you all for the wonderful support you have given us during the year.**

*Anne Lear*

### Granny Annie's Second Birthday

**Thursday 7th November 9-11.30**

**Why not drop in to share the celebration?**

**St Ann's, 7 Stonehouse Lane, Aldinga, off South Rd**

*Granny Annie's is open every Thursday 9-11.30*

*- a place to relax, have a cuppa, and meet people-*

*Activities provided for children*

Helen Devenport thanks everyone in the Pastoral District for their condolences and prayers following the loss of her father, Ray Bourke, on October the 3rd. The thoughts by everyone were much appreciated.

## News from Pastoral District Council

On Wednesday 16<sup>th</sup> October, after a shared meal, the Council met at 6.45 pm chaired by Canon Dirk. Matters discussed included the following. Other items appear elsewhere in this edition.

### **Solar panels at St Margaret's**

Fr Paul has given the go ahead to Aldinga Bay Electrical and they have dropped the price by \$200 to \$4,800 plus GST and the meter upgrade. The application to SA Power Networks was approved the same day. They need a 50% deposit for work to proceed and installation must be complete by the end of the year. Margaret Cale is arranging to transfer funds from the Special Purpose Fund to cover the deposit.

### **Installation of new rented printer/photocopier**

The new machine is making a huge difference in efficiency and modern enhancements. Anne Chittleborough and Ted Sandercock were able to print *The Grapevine* for October in 1 hour 25 minutes plus folding and labeling and without insertion of pages.

### **Fence on northern boundary at St Margaret's**

Mr Dave Bennett had written another letter with an offer to pay in full for a new fence, planting and maintenance of vines. After further discussion his proposal was again rejected as the current fence is considered adequate and suitable for St Margaret's land - a letter to be sent with this final decision.

### **St Ann's Restoration work**

Bill Cale has contacted the painters who are ready to start work soon but are waiting for a window replacement.

### **Gregg Trott Pipe Organ project at St Margaret's:** (see also p. 1)

Invitations have been sent out for the launch on Sunday 24<sup>th</sup> November and it is hoped that the church will be full. There will be no charge as it is a launch but there will be a charge for subsequent concerts. Fr Paul is still seeking an undercover home for the container. Greg Trott's daughters will donate the organ to the committee and after that insurance will be taken out. They are still awaiting tax deductibility of the fund to be approved. In the meantime the Registrar has advised that the church is not responsible for the organ's insurance and Brian McMillan believes that the church is only liable if we are seen to be negligent. Paul Bell and John Carroll are keeping the grass under control to reduce fire risk.

### **Rectory inspection**

This was carried out by Greg Roberts and Joe Saunders with Fr Paul. New fly wire has been attached to the rear screen door, gutter cleaning and internal painting were noted and Joe Saunders has offered to attend to revarnishing of the front door, similar to his work on the verandah seat. Thank you Joe.

**Advent Pageant** The Pageant is now being organized by Graham Benger. The Committee passed a motion of thanks to Anne for her past planning and work for this outreach event.

**Correspondence:** In response to letters received, the PDC approved donations of \$100 towards the Advent Pageant and \$200 to the McLaren Vale Community Carols at Tatachilla College.

A letter was received from Bp Stanley regretfully advising that he feels he can no longer take services\*.

<b>September 2013</b>	<b>\$</b>	<b>Overall Finances to Sept. 2013</b>	<b>\$</b>
Nett monthly income	6,222	Income	55,506
Monthly expenditure	7,177	Expenditure	69,036
Operating profit/loss	-955	Loss	13,530 (Budgetted 10,062)
Missions	225	Total donations to missions	3,809

### **Financial Report:**

Margaret Cale expressed serious concern at the financial results and it was agreed that parishioners need to be aware that we are drawing on reserves. Expenses have increased and giving is down this year so our fund raising efforts are merely matching that deficiency. A regular or increased financial commitment is needed from more people in order to budget and meet costs.

\* After the service on St Margaret's Day there will be a presentation to Bishop Stanley for his contribution to the PD District of the Southern Vales over the years.
