The Murray Progress

Come, talk, walk with us

4 May 2016
2:00 pm - 4:00 pm

St Ann's
Off Main South Road (Plains Road), Aldinga

The Murray Progress meeting (4th May, St Ann's 2-4 pm and St Nicholas' 6-8 pm, "Come, talk, walk with us") is an invitation from Diocesan Council to engage us all in plans for the future directions of the Diocese—and these will involve our Pastoral District. Come and hear the changes the Council is proposing and contribute to a common vision for our Diocese. The formation of our Diocese is what we are challenged to work on together. It needs a holistic approach, and in the Bishop's words, "this must necessarily include our pastoral provision, our evangelistic ministry, our liturgical life, our financial life and a proper stewardship of the resources that are at our disposal." These matters will then be discussed at a Diocesan level at Synod in May, and at a Special Call of Synod on 5th of November. *This is our opportunity to be part of the Murray Progress, to ask questions and seek clarifications, the results of which will affect us all well into the future. Fr Glenn encourages EVERY member of the Pastoral District of the Southern Vales to be present at one of these very important meetings.*

Lady Day at St Margaret's

"Look what God did with one woman!!"

A procession of the banners of the MU branches from the different parishes and pastoral districts made a brave showing on a perfect Autumn day for the Diocesan Mothers' Union gathering at St Margaret's on the 4th of April.

With "Lady Day" celebrating the annunciation to Mary of the birth of Jesus, celebrant Bishop John Ford spoke of the parallel between conception and creation. He also

spoke about the role of women in the world. He had been amazed by a Mothers' Union gathering in Ghana, with 500 MU members, and by all that they achieved. "And look what God did with one woman, Mary," he said. "Just imagine what he could do with 50!"

Bruce Cliff was the speaker at the luncheon that followed. He spoke movingly from his experience of family, of work with youth, and of the need for teenagers to have somewhere safe to "chill".

The next meeting of Southern Vales MU will be at St Ann's on Monday the 2nd of May, 9.30 am: banner & pocket design, and making beanies for the Mission to Seafarers.

News from St Margaret's, McLaren Vale

St Margaret's group has welcomed SSPJ's congregation as they begin the wait for the rescue of their heritage-listed historical building to be restored.

Times of our services were varied during March, but most of us managed to attend at the correct time. We have a new Easter banner, blessed by Fr Glenn on Easter Day. The set time for our Sunday service will now continue to be 9.00 am until further notice, and SSPJ's people are also joining us at this time. This allows our resident priests, current and future, sufficient time with congregations at each centre.

Family services have been well received. Sincere thanks to Jac Hocking and Greg John for their caring contributions to this special time of worship. Greg Roberts continues to do a great job with Home Communion.

Fr Glenn Maytum has been running an efficient ship, inspiring and encouraging us all to use our own judgement and initiative where appropriate. He has a huge wealth of knowledge of scripture and church history and his teaching has been greatly enjoyed during Wednesday Bible study.

We are looking forward to the car boot sale at the end of this month, thank you Helen Roberts for organising this.

We continue to give thanks to those who do the "behind the scenes" jobs...beautiful flower arrangements, cleaning and gardening. Thank you!

Julia Drought, Greg John, Wardens.

Training Day for EAs and PAs

St Margaret's was the venue for a training day on Saturday 23rd April for Eucharistic Assistants, Pastoral Assistants and all who have a role in leadership in our PD worship.

Led by Fr Glenn, it was an education and an inspiration, and a chance to ask questions about the theology of worship and how we engage in it. All

those attending came away richer for the experience.

Rose pruning season is almost upon us, and the "Prickle Team" (Trish, Victoria and Bill) is preparing tools.

\$20 an hour; proceeds to support Southern Vales Pastoral District activities.

News from St Nicholas', Seaford

Impacts from our **inclusion in the Southern Vales Pastoral District** were evident in March as we ventured forward as part of a "whole" rather than an individual Church community. Service time changes, opportunities to join in services and activities at other venues, new acquaintances and prospective new friends in our Anglican community are just a few of the benefits and changes that have resulted.

Our **service times** have changed from 10.30 a.m. to 10.45 am to allow for travel time between churches on Sundays. Our "Palm Cross" making Fellowship meeting was greatly enhanced by visiting members from other Southern Vales churches. As well as being a time of industry, (and new skills for some), it was also a time of making new acquaintances and enjoying fellowship with our extended Southern Vales family. There was an opportunity for members to attend the Scripture studies at St Margaret's on Wednesday mornings during Lent. There were glowing reports about these from Joanie Rawlings who attended these.

Our **Easter services** began with a combined service in the large worship space at SEM on Maundy Thursday. This was well attended not only by members from the SEM community but also by members from the Southern Vales congregations. In this moving and solemn service, Father Glenn gave a thoughtful and timely address, and there was an opportunity to participate in the age-old tradition of "washing feet". There were 41 Anglican Communicants. On Good Friday and Holy Saturday there were increased opportunities for our St Nicholas members to attend services outside of SEM, at St Ann's and St Stephen's. Helen Cook was delighted to represent our congregation at the St Stephen's service by reading one of the lessons.

At the end of our service on Sunday 4th April, **Father Ian and Jan**, who have become treasured friends and mentors of our St Nicholas' family during their ministry with us, were farewelled. How much we have appreciated Father Ian's warmth, sincerity, sense of calm and optimism and Jan's friendship, generosity and willingness to be involved during the eighteen months we have known them!! We enjoyed our usual shared lunch (on the first Sunday of each month), which featured Ann Wilson's "famous" celebratory ice-cream cake.

On Saturday 9th of April five of our members attended Fr Ian's farewell service and/or dinner at Willunga. For several of us it was a "first time" at St Stephen's! What a special service in this historic and beautiful Church! We appreciated so much being made to feel so welcome.

Our **Family Service** is now held on the fourth Sunday of the month, to fit in with the recent service roster changes. Our young people met on Tuesday April 12th to plan and discuss ideas and their roles in future Family Services

News from St Philip & St James', Old Noarlunga

We are grateful to other centres for welcoming us over Easter and including our traditional celebrations - the Easter Vigil at St Stephen's, family service and regular worship at St Margaret's.

Sadly, some of our regular members have been unable to get to services recently and are greatly missed. Wallace Mausolf and Roger Dew are in hospital and Brenda Dew continues treatment. We wish them speedy and comfortable recoveries. We also keep Mary Blagrove and Sheila Ley in our thoughts and prayers. They would dearly love to be still part of our active congregation.

Thanks to Malcolm and Di and Rupert for keeping an eye on things up on the hill while we wait for news from the Bishop on the way forward. We thank Brian McMillan and Peter Chapman for their endeavours on our behalf.

A lovely dinner following Ian's final service, at St Stephen's, hopefully let him and Jan know how greatly we have loved and appreciated having them with us. We thank them most sincerely.

With news of coming events or noteworthy happenings in the Pastoral District of Southern Vales to share with the rest of the parish, please contact the Editor, Anne Chittleborough, at 23 The Esplanade, Pt Willunga 5173, Ph 8556 5078 or email machit5@bigpond.com.au, preferably by the 15th of May.

Please notify the Editor if you wish to avoid the chance of being mentioned in this newsletter.

Our Pastoral District Council met on the 19th of April and was chaired by Ted Sandercock. Matters discussed included the following (other matters are included elsewhere in this issue).

Mission Action Plan

Aim 1 Group “To proclaim the good news of the Kingdom” reported the need to explore formal **training opportunities** for lay teams delivering Family Services. **June Gillion**, wife of Bishop Gillion of the Diocese of Riverina would come on the 22nd of June and give an evening assisting with non-Eucharistic worship training. That week is Schools Ministry Week, and Pastoral Support Workers could also be involved.

It recommended a formal **stewardship campaign** to be held this year.

Redesign of the PD website is considered urgent, and PDC approved a budget for redesigning and setting up a new website for Southern Vales and training personnel to manage it.

Aim 2 Group “To teach, baptise and nurture new believers” would like to promote youth involvement in the Sea Hawks ecumenical group at SEM. St Nicholas’ members would like to join the Aim 2 group. They also supported Family Services, Prayer, Praise & Proclamation services, small groups, Bible Studies, Home Groups and Confirmation. Fr Glenn reported that the Bishop had set the date of the 17th of July for a **Confirmation service**. He would like a team of people from Southern Vales to be involved in preparation of candidates.

Rationalisation of PD properties: Two representatives and experts from Anglicare have been to look at the vacant land at St Margaret’s and reviewed the earlier proposal.

SSPJ Building: Brian McMillan circulated a paper containing an overview of issues which had to be addressed before a way forward could be determined, including the fact that it is a landmark building, technical advice received, and its State Heritage status. It was encouraging that the Bishop was committed to its restoration as a valuable building, and with the housing development in Hackham spreading south, Fr Glenn considered that our PD may well in future be oriented northwards. Restoration would require a big commitment from all of our centres and would require a lot of work. The back wall needs inspection by experts, and the Vestry needs to be taken down to a point and rebuilt.

A Restoration Committee was formed consisting of Rupert Best (SSPJ) Chair, Bob Smith (SSPJ), Peter Chapman (St Ann’s), Brian McMillan (St Ann’s, and Vice President of NTSA) and Jane Cuthbert (St Nicholas’). A member of the St Stephen’s congregation will also be asked. Margaret Cale had explored funds potentially available for SSPJ repair work, and Bob Smith had had confirmation of money available towards the Urettek foundation injection (see GV May). Public and community support could be involved, and people, as well as money, could be used. The St Ann’s congregation actually did the building of their hall.

Finance Report See table, p. 9. While the retired Treasurer considered that the deficit was not significant at this stage, Fr Glenn was concerned that offertories were down.

Diocesan Synod (May 27th-28th) will be followed on Saturday evening, 28th of May, by the **St Philip & St James’ Patronal Festival service** at 5.30 pm. The Rev’d Daniel Irvine will be guest preacher and Deacon at the Eucharist.

Fr Glenn will be away from the PD between 29th May-8th June.

Licencing and Safe Ministry training: Any Bishop, priest, deacon, warden, choir director, person involved in youth or elderly ministry, leadership of worship, official home visitor, op shop manager or a role leading a service, needs Safe Ministry Training, police checks and new licencing. **A Safe Ministry training session will be held at St Margaret’s on Saturday 20th of August, and a Refresher Course on Sunday 21st of August.**

Discover Willunga Fair: The Uniting, Catholic and Coast and Vines churches in Willunga are having an ecumenical stall in which St Stephen’s will participate with brochures, copies of *The Grapevine*, a modern version of St Luke and perhaps copies of Micheal Perrott’s book *Reflecting with Creation* for sale.

Peter Chapman had been invited to attend the two-day **National Conference on Church Planting and Pioneer Ministry** in Melbourne, representing our Diocese. He and Greg John would attend the Keith training session (Study of the Pauline Epistles, 29th Apr-1st May).

Next meeting of Pastoral District Council Tuesday 17th of May, 7 pm, St Margaret’s

News from St Stephen's, Willunga

The Saturday Night Out Dinner on April 9th at the Willunga Hotel was attended by 20 people. A very enjoyable occasion to farewell Fr Ian Young and Jan who have been with us since last November. The next Saturday Night Out will be May 14th, at the Willunga Hotel after the 5.30 pm service. All are welcome to join the St Stephen's core group on the usual Second Saturday of the month.

Our prayers for both Elaine and Fr John Edwards. We have continued contact with both Fr John & Elaine. Elaine's foot is healing and she is walking about without the moonboot. Fr John has been diagnosed with CIDP (an auto-immune disease). He spent 8 days in RAH and then Calvary rehab on March 19th. After physio & occupational therapy he is walking again using a frame.

Ted, Wendy and Janet attended the licensing of Fr Ian by Bp John as the Locum Priest for Victor Harbor Parish. At lunch, Wendy presented best wishes for his ministry endeavours from Southern Vales.

We will join other Willunga churches on a stall for the Discover Willunga Fair on Sunday May 1 from 10 am to 3 pm. If you are able, please join us in this outreach activity.

On Saturday 23rd of April Henry (Harry) James Bosworth was baptised and welcomed into God's family. Harry's big cousin Celia assisted Fr Glenn by holding the service book, while Harry's sisters and parents Henry and Nicole watched. (Photo T Sandercock)

Below: the congregation at Fr Ian's final service at St Stephen's.

The Vigil Eucharist is on a Saturday at 5.30 pm. Do come, especially if at any time you are unable to attend a Sunday Service. Refreshments afterwards with sherry or wine & nibbles (cheese, dips and biscuits).

News from St Ann's, Aldinga

With the Easter services over, April has been a quieter month at St Ann's—but there's always something happening!

The April **Family Service** was on the theme of Thomas - his questioning of Jesus' being alive, and his recognition of Jesus, "My Lord and my God". At the end of the service, to the singing of "Lord, make me an instrument of Thy peace" the congregation linked hands in a chain of peace, recognising the arrival of the Peace Candle in Australia the day before, and praying for peace among all people of the world.

Could it really be a year since the struggling St Ann's Guild was replaced by the Friends of St Ann's? At the **Annual General Meeting** there was no need to discuss whether the change had been helpful—despite some unavoidable absences there were enough present on the 5th of April to celebrate the **Friends' first birthday** and deal with pressing matters in

hand.

L-R: Paul Zimmerman, Barbara Walter, Margaret Cale, Peter Chapman (with Mallee), Tristan and Trish Simon, Heather Chapman, Margaret's granddaughter Lauren Clifford, Gillian Clampett (front), Pat Roper, Victoria McKee, Anne Lear and Trish Frith.

We are sorry to lose **Paul Zimmerman** as a member of our congregation but wish him well as he resumes his role in the Orthodox Church (St Seraphim's) Flinders Park. He will continue to be a Friend of St Ann's and help with Jumble Sales etc, and he assures us of his prayers for our Pastoral District and for Bp John and the Diocese of The Murray. We are pleased that **Peter Chapman** has been chosen to represent our Diocese at the National Conference on Church Planting and Pioneer Ministry in Melbourne.

Going Without Saying

It is a great pity we don't know
When the dead are going to die,
So that, over a last companionable
Drink, we could tell them
How much we liked them.

Happy the man who, dying, can
Place his hand on his heart and say
"At least I didn't neglect to tell
The thrush how beautifully she sings."

Bernard O'Donoghue

"Being Alive", ed. Neil Astley, p. 448

With the corellas constantly partying in the cemetery and dropping pine cones and small branches, a **working bee** was held on the 10th of April, with everyone present asked to fill a plastic bag with pine cones. As the seasons change and people start thinking of fires, it was decided to offer the bags of pine cones as kindling at the Car Boot Sale at St Margaret's on the 30th April.

We always enjoy **visitors** at St Ann's and were pleased to be visited on the 10th of April by Max and Chris Grigg. Chris is descended from George Sara, stonemason and builder of St Stephen's and other buildings in Willunga, and of St Ann's!

Sundays are always special days, but Sunday 24th of April was made extra special by the visit of the Rev'd Sister Sandra Spears from the Diocese of Willochra, who wrote the liturgical setting we sing for our Eucharist! (In photo: Fr Glenn, Sr Sandra, and Southern Vales organists Brian McMillan & Sue MacKirdy). And in addition, it was **Tristan Simon's 29th birthday**,

and so the occasion for a cake and singing. Tristan will soon face a serious operation for his scoliosis, and Fr Glenn led us in prayers for him and for his family.

Anne Chittleborough for Brian McMillan & Peter Chapman, Wardens

Brian McMillan writes:

We look forward to Wednesday the 4th of May when at 2 pm at St Ann's (as well as 6 pm at St Nicholas') The **Murray Progress** will enable us to learn of the planning, to date, of the future by Diocesan Council, to ask questions so that we fully understand what is under consideration and why, and to contribute our own opinions as to the best way forward for the Diocese as a whole—as viewed from the perspective of our Pastoral District.

And a word from Tristan, by special request: Thanks so much for your Birthday surprises and well wishes!! You made my 29th Birthday. all the more special. I look forward to you all helping me to celebrate my 30th birthday next year. May God Bless you all.
