News from St Stephen's, Willunga

The **Saturday Night Out Dinner** on June 11th, 2016 at the Willunga Hotel was attended by 10 people. The next Saturday Night Out will be on July 9th at the Willunga Hotel after the 5.30 pm service. All are welcome to join the St Stephen's core group on the usual Second Saturday of the month.

Thanks to Fr Dennis for his ministry over the two Saturdays Fr Glenn was away.

John Strachan has been recommended by Fr Glenn to join the Sandercocks as a Eucharistic Assistant on Saturday evenings. John has had considerable experience in this role in other Parishes in the Diocese. He has agreed to undertake this role.

Our prayers continue for both **Elaine and Fr John Edwards**. Elaine's foot problem has continued to improve. Prayers too for Peter Kyloh who has been in FMC with breathing problems.

Maintenance: In the early months of 2013, maintenance was done on the external walls of St Stephen's. This work was completed in June 2013. The City of Onkaparinga provided a small heritage grant for this work. The Heritage Architect, Grant Stevens, advised that the internal cracks should wait up to 3 or 4 years before they were repaired to ensure that the external work had settled and that the internal cracks had stabilised. As the PD is looking at its future it seems to be the time to attend to this work. From discussions with two painters the estimated cost would be about \$3000. It is suggested that funds of at least this amount be raised before any work begins. The following approaches are suggested:

- * Willunga Anglican families be approached for a donation or an interest free loan
- * An application to SA government small grants (up to \$5000) to upgrade infrastructure so that an organisation is better able undertake its work. It will be important to emphasise the relationship of St Stephen's with the Willunga community in, for example, the 2014 Willunga 175 celebrations, Discover Willunga showcase in 2014, 2015 & 2016, our produce stall during the Willunga Almond Blossom Festival, the QR Code heritage plaque (the only religious building included), free car park each Saturday morning for the Willunga Farmers Market, involvement in Schools Ministry morning teas for school staff and our involvement in History Week.

Other suggestions welcome.

The Vigil Eucharist is held on a Saturday at 5.30 pm. All welcome. You might like to attend when for some reason you are unable to attend a Sunday Service. Refreshments afterwards with sherry or wine & nibbles (cheese, dips and biscuits).

Ted Sandercock & Jac Hocking, Wardens

Mothers' Union

Handcraft Day at SEM

Trish Simon demonstrated her skill at handcrafts at the June Mothers' Union meeting at Seaford Ecumenical Mission on June 6th, when members converted story books into paper backed porcupines! The next meeting, **11th of July** at St Ann's, will begin with morning tea at 10 am. Guest speaker Mrs Kath Varnish will talk about the Tasmanian floods. There will be a soup and crusty bread lunch (\$5), with donations for the Flood Appeal. The meeting on **Monday 1st of August** will be at St Nicholas' (SEM) at 9.30 am. It will be an Open Day—an invitation to interested people to attend and hear about the vision and history of the MU, and what they do today.

News from St Nicholas', Seaford

Services: During the past month both Fr Glenn and Fr Ted Newing have officiated at our **Holy Communion** Services. A **Combined Service** with the Uniting and Church of Christ congregations was held on May 29th. "Mission and Service" was the theme of the **Family Service** on Sunday 26th June. It was ably led by our young people, who enacted a drama on preparing for mission. In addition the congregation was treated to an animated and lively address and video, "Going the Distance", presented by Steven and Lyn Davis (and

accompanied by Steve's "friends" Wally and Banjo the bilby). We

learned about the work of **BCA** and their field staff, who since 1919, have been supporting people living and working in remote and isolated communities in Australia. At the conclusion of the service there was a special collection to aid BCA as well as goodies to buy from a trading table set up by Lyn and Stephen.

Some of our members have also attended church services and functions at other venues in the Southern Vales in the past month and have enjoyed being part of our wider Church community. The celebration of **St Philip and St James' Day** at St Margaret's was especially enjoyed by those who attended and our Synod Reps Joanie Rawlings and Joan Dare also particularly enjoyed their time of fellowship with other Southern Vales Reps at **Synod**.

C Gunn

Iona Bates, Isabel Berry & Lexie Berry prepare for mission.

Information Sharing: On June 12th a meeting was held after the service to discuss the latest developments and issues in the Southern Vales and at SEM. There was a good attendance and as a result of information sharing various members agreed to join in with various MAP groups. We have decided to hold further meetings of this kind on the second Sunday of each month.

Prayer services led by various members of the SEM community are being held on Tuesday evenings from 6.30 pm until 7.00 pm. On Sunday June 19th there was an Ecumenical Prayer Service led by Father Charles (Catholic community) and Mark Kaesler (Lutheran community). A "soup and roll" tea followed this! It is hoped that these services will become a regular part of SEM worship in the future.

The **Fellowship group** met on Thursday 16th June for lunch in the SEM Café followed by a discussion of fundraising ideas. The next meeting will be held on Thursday 21st July at 1.30pm

SEM: Mission and Ministry: Our representatives on this committee are Joan Dare and Helen Cook. In the most recent meetings there has been considerable discussion and planning for the 20th Birthday celebrations of SEM to be held on Sunday 7th August at 10.30 am, as well as sorting through suggestions of a "more relevant" name for SEM. It has been suggested that Seaford Ecumenical Mission be our legal name but we could adopt an everyday trading name without having to make constitutional changes. All member congregations have been asked to put forward their ideas for a "Brand" name for the centre.

Committee of Management: Joyce Newing and Cathy More are our reps on this committee. The most recent meetings have focused on the future use and lease arrangements of the buildings currently occupied by Government Health Services, and the implications of the Uniting Church's request to terminate its role as a major shareholder at SEM. Ecumenical Endeavours, the legal entity and the Heads of Churches will deal with these issues. Locally at SEM there is little we can do but pray for a successful outcome for all our congregations.

School's Ministry Meeting: Jane Cuthbert and Helen Cook were our reps at a meeting at Seaford Secondary College on Friday 17th June, also attended by the local Pastoral Support Workers, the local and regional leaders of SMG as well as leaders from the local church groups. Discussion revolved around the importance of interaction with the local faith communities, the effectiveness of the chaplains in the schools, and ways to support, thank and encourage the staff in the local schools.

News from St Ann's Aldinga

June was a relatively quiet month at St Ann's. It began with our **Family Service**. We were delighted to have the Best family with us for the day celebrating Rupert's birthday, as well as friends of Glenn's. *(Photo: with the theme of the service being God's compassion, Di Best, Gwen Anthony and Julianne Bates considered photos of situations in today's world where compassion is needed.)* Thank you Fr Ted Newing for taking services for us again recently.

The June **Friends** meeting was well attended. Brian McMillan as Synod rep and member of Pastoral District Council raised matters for discussion arising from both of these—Friends providing an appropriate forum at St Ann's for discussing Pastoral District and diocesan matters.

Granny Annie's has enjoyed hosting the choir after their Thursday morning choir practice!

Bible studies on Revelation, led by Julianne Bates, are proving both challenging and rewarding, and we very much appreciate the work and preparation Julianne is putting into them. On the 23rd of June the study coincided with a violent hail storm, which left substantial drifts of hail under the key box, even two hours later!

Family Tea was a warm and friendly evening, as ever, and even after the clearing up no-one seemed anxious to go home (R). We appreciate these unstructured occasions of fellowship and are delighted when people from the other centres join in.

News from St Margaret's, McLaren Vale

Family service this month was appreciated and once again, I would like to thank Jac Hocking for her preparation and well organised delivery. We are very thankful God has blessed us with such abundant talent and hard work in Jac.

Maintenance: John Carroll sprayed the ever-present weeds around the church, nicely timed before the heavy rains. Thanks John. And thanks to the intrepid Prickle Team, our memorial garden is looking neat and tidy. We are very grateful for this important maintenance work, and it looks great!

Thanks to our choir for supporting the singing during the **archdeaconry Eucharist** on the 16th of June (p. 2). Greg and Helen Roberts & Margaret Cale catered for the regional priests' lunch which followed. Sincere thanks for doing this at short notice, Helen, Greg & Margaret.

Some folk are disappointed the **Pentecost banners** have been taken down. Julia Drought needed to sew some finishing touches. She also asks for prayers for guidance for the making of the Advent banners...something else new to look forward to!

Music: While our organist Greg John was adventuring around Europe, Julia Drought and Felicity Warrington took over and kept us in tune. Thanks for your lovely music Felicity.

Our re-formed Guild and Friends of St Margaret's met on the 21st of June, and we are particularly grateful to Jill Ribbons for efficient recording and reporting in her new role as secretary. Thankyou Jill, I'm sure you'll continue to keep us organised. Changing the meeting time to 1.30 pm, changing the colour scheme of the old signage to make it more obvious, lowering a neighbour's shared fence, and working out who has responsibility for what, were just a few of the things discussed.

Further details to come, new members most welcome!

Julia Drought & Greg John, Wardens

News from St Philip & St James', Old Noarlunga

While our church is closed to us, those of us who are able continue to join the congregation at St Margaret's and thank them again for their welcome. We keep in our prayers those dear friends who are unable to come to church at present and are saddened by the recent death of Ray Gorton who, with Frances, was a dedicated parishioner at St Philip & St James for many years. Signs of Ray's handyman activities are still evident. Ray's family, Briony, Paul and Vicki, also supported us gladly with annual BBQs at their home, for which we thank them.

The foundation irrigation system has been turned off for the winter.

John Carroll, Bob Smith and Rupert Best are planning to cut down a dying tree in the carpark and also planning repairs to the rotting fence along the road including posts and rails where needed. Posts will be treated pine and will be painted to match existing rails. With voluntary labour and equipment, the cost will be kept to a minimum and handled through the appropriate channels once it is known. Cost to be shared with the Cemetery Fund.

The roses have been pruned - thank you to Trish Frith and the Prickle Team – and the prunings will be removed shortly by Stephen Wells.

The SSPJ Patronal Festival at St Margaret's on Saturday 28th May at 5.30 pm (see May Grapevine) was a delightful occasion for the combined Pastoral District. We were so fortunate to have Deacon Daniel Irvine with us as guest preacher and look forward to getting to know both him and Jasmine better. The wonderful supper opportunity was a joyful occasion as was the rotation of dishwashers, wipers and cleaners.

"Granny Annie's" is open at St Ann's, 7 Stonehouse Lane, Aldinga, on Thursday mornings 9 - 11.30. Why not drop in for a chat and a cuppa? Raisin toast always on the menu!

Above: Joyce & Ted Newing are served Cambodian dishes by Margaret Cale, Heather Chapman and Wendy Young.

Below: Carol Brett, Christine Gunn, Olive Brewster, Joyce & Ted Newing and Jackie Strivens-Lee formed a table from S.E.M.

spoke movingly about the programme's helping women recognise and develop business opportunities and training, in a culture in which women traditionally didn't have these opportunities. She spoke of the economic changes it was bringing to their lives, and the strength, the hope and the belief in themselves which resulted. She brought samples of beads and silks made by the women, including a beautiful silk shawl. Tony showed a DVD he had made of the project.

Guests shared a meal of Cambodian dishes, and tasted a pumpkin dessert provided by the Duncans. The evening's proceeds (\$ 560) were shared between the two projects.

Cambodia!

At the **Cambodian Night** on the 17th of June we heard two inspiring stories of projects to improve conditions for people in Cambodia. Jeff Jeanes, with Debbie, spoke of his cycle ride from Ho Chi Minh City to Siem Reap to raise money for World Vision's Rukh Kiri area development project. This programme is bringing new ideas to encourage and improve education in the area, to improve health and birthing, and by means of bringing people together, to share ideas on improving agricultural opportunities—breaking the poverty cycle.

Carol Duncan, who had contributed to a programme called SHE (Support Her Enterprise) in 2015,

Ray Gorton R. J. P.

Ray and his wife Frances came to Australia from England, living at Hackham and then Christies Beach, and becoming generous supporters of St Philip & St James' congregation. Ray and Frances had been involved in catering in England, and with the help of their family, for several years ran marvellous parish luncheons at their son Paul's home. The congregation was often invited to their family celebrations. Ray was a great gardener and a skilled handyman, seeing to maintenance matters needing attention at the church. He had an enquiring mind, and was interested in information technology.

Ray was a devoted carer for Frances for some years when she became ill. In later years he lived at Hackham, which made it difficult for him to attend St Philip & St James.

He died on the 6th of June.

News from Pastoral District Council

The June meeting of the PDC was held on Tuesday 28th.

Bob Smith's resignation as Priest's Warden for St Philip & St James' had been received. PDC passed a **vote of thanks to Bob** for his work as a Warden. **New appointee Judy Wells** was welcomed to the meeting.

Matters discussed included the following:

Focus business: Mission Action Plan: Team 1 (To proclaim the good news of the Kingdom) had met to discuss how our website could be updated to include the information they believed should be included, and had decided to put their thoughts into a project format to give to Archdeacon Carlsson. They believed that it was time for rejuvenation of the MAP groups, and suggested that they might all meet together, and that this might be an opportunity for Peter Chapman and Greg John to speak about their formation training courses.

Worship: Fr Glenn reported that a worship roster had been worked out to the end of August. On Saturday 30th of July the PD service was to be the Eucharist at St Stephen's (Fr Glenn's last service). On Sunday 31st July there would be a Family Service at St Ann's at 9 am but the main service for the day would be the Ecumenical service at SEM at 10.45 am, which he hoped we would attend. There would be a private baptism at St Margaret's at 9 am.

Seaford Ecumenical Mission is going through a time of change and uncertainty (*see News from St Nicholas', p. 5: Committee of Management*). They very much need our support at the present time. Fr Glenn, who had recently been to an excellent ecumenical service at SEM, spoke of the importance of the churches concentrating on what they *can* do together instead of worrying about the what divides us. It was pointed out that ecumenical events can happen in other locations as well, and had done so on occasions in the past.

Pastoral Assistants and others in ministry: A list of people in ministry in the PD was reviewed. To be eligible, applicants needed to attend church at least 26 times in a year. Safe ministry courses were being run in August (*see p. 2*). Fr Glenn, who had completed the CCER Salt Compliance course, passed on some practical tips regarding the ethical use of emails:

- * **NEVER assume that your emails are private**
- * **ALWAYS consider: would you be happy if your email was posted on a staff noticeboard or read out in court?**

Clergy meeting at St Margaret's, 16th June: Fr Glenn thanked Margaret Cale and Helen and Greg Roberts for their help and for an excellent meal, and Brian and the choir for their music and singing. PD support had been appreciated by the clergy.

SSPJ church building: The SSPJ Building Committee (Brian McMillan, Stephen Wells and Jane Cuthbert) had met with engineer Ashley Holmes that morning. A report would be forthcoming.

Finance Report:

May 2016	\$		Overall Finances Jan – May 2016	\$
Nett Monthly Income	10,730		Income	45,873 (<i>Budgeted \$51,100</i>)
Monthly Expenditure	13,011		Expenditure	52,535 (<i>Budgeted \$57,674</i>)
Deficit for April	-2,281		Deficit	- 6,661(<i>Budgeted \$6,574</i>)
Missions	240		Total to Missions	2,868
Special Purpose Funds May 2016	\$		Overall SP Funds Jan-May 2016	\$
Income	2,747		Income	8,4912
Expenditure	335		Expenditure	6,787
Surplus	2,412		Surplus	1,704

Schools Ministry Group: Our Pastoral District includes two SMGs – one at Seaford as well as the one we support at SV.

St Margaret's Guild & Friends was looking at **painting and repairs** that were needed. Quotes were being obtained. It was suggested that funding options such as Council grants be explored for major expenses such as painting, but that anything urgently needing repair be identified and dealt with. "No smoking " signs had been set up, as should happen at all the churches.

Jane would see if she could get Southern Vales on the list of organizations for a **sausage sizzle at Bunnings** – a good fundraiser.

Saturday Night Out after the Patronal Festival at Willunga on the 6th August, would be at the Bush Inn, in support of their removal of their poker machines.

Advent Pageant: With the resignation of Stephanie Turvey this year, Fusion's Adelaide South branch no longer existed. and Fusion would no longer cover the Pageant's public liability. Other options and opportunities to be explored.

Next meeting: Tuesday 19th July, St Margaret's, 7 pm
