The Grapevine

Newsletter of the Western Fleurieu Anglicans, Diocese of The Murray, SA

The beginning of something new!

Fr Simon writes:

Over a couple of years now we have had the privilege of having younger members of our St Nicholas' 10.30 am congregation leading us in worship. They have provided us with an outstanding service every fourth Sunday at St Nicholas'. Their service preparation has been quite extensive; starting with a planning time on a Tuesday night; a rehearsal on Saturday and then the service on Sunday. This thorough preparation and leading of the service has been a wonderful ministry that the younger people in the congregation have offered to the older ones. The last service in August was the last of this service design, which used plays and skits etc.

The usual 10.30 am fourth Sunday service will continue, with input from some of the younger ones in the congregation together with other worshippers, and will provide a lovely new flavour to the service.

The older youth will open the new 5 pm Anglican Parish Gathering which will have a brand new structure as well as the new time. It will take place in the Seaford Christian Churches dining room and include a shared meal. It will commence with Communion followed by the meal, and during this time there will be breaks for prayer, Bible reading and a talk.

This service is not just for young people but for the whole parish, and offers an alternative time for those who find other commitments are clashing with regular church times. It is also a change in the format and style of worship in order to allow people to have a place where they can have Communion and explore their faith in a more relaxed setting, and it will be a place to invite friends who have not previously been to a traditional service. Bring food to share, and your Bible.

Thank you Isaiah, Isis, Eliza (front), Iona and Issy!

A word from Fr Brenton...

Lyn and I would like to thank everyone for welcoming us to the Western Fleurieu Anglicans. We have settled in very well and are enjoying meeting and mixing with you.

I have enjoyed my rose pruning with Trish and Bill and the Friday night meals at St Ann's.

While I am present at the Rectory I have the "Church Open" sign on the footpath, and the Church is open to anyone who would like a quiet moment of prayer or just a look inside.

We look forward to working with you all to build our Church and share with others our faith and fellowship. I also look forward to my first baptism at St Margaret's on September 23rd, my cousin's son. It will be a great family affair.

I continue to have meetings with Fr Simon and Deacon Peter at Seaford every Tuesday morning to plan future strategies for the Mission District.

Blessings to all.

Fr Brenton

News from St Stephen's, Willunga

Thank you to Fr Brenton for celebrating over recent weeks.

Saturday Night Out Dinner: The dinner for August was held on Saturday 11th at the Willunga Hotel. 10 people enjoyed the evening in the main dining room. ***The next Saturday Night Out will be on September 8th at the Old Bush Inn. The group decided to have a change and try the top pub again...***

Reflective Learning: A Thursday evening workshop on "Theological Reflection" based on a process from EfM (Education for Ministry) was held at Willunga House on August 16th. Seven people were introduced to a process based on the use of experience, scripture, culture and belief. This workshop continues on September 20th to explore this process further. (Enquiries Ted Sandercock 8556 4535)

Some present at the Theological Reflection evening at Willunga House were camera-shy! but those pictured are Wendy and Ted Sandercock, Jeff Pridham and Joanie Rawlings.

Almond Blossom: Thanks to St Stephen's folk who assisted with the Willunga Almond Blossom stall on the Wednesday during the Festival Lunches - Joan Lunn and Wendy Sandercock staffed the stall while Mary Johnston, Laura Tinkham and Wendy Sandercock provided jam, cakes and biscuits.

Grounds: Thanks to Ben Lacey for mowing the front lawns, and the grass around the church and trees. With recent rain and then sunshine this was quite a task. The grounds now look very neat and tidy!!

The church: We continue to discuss the type of stall/activity at the front of (or inside) St Stephen's on a Saturday morning to take into account the people who walk past or park in the grounds to attend the Willunga Farmers' Market. We are open to suggestions as to the type of stall. The church will be open on Saturday mornings. Jac Bishop spends extra time putting flowers in the church while discussing matters with visitors who call in.

Friends: A meeting of St Stephen's Friends held on July 28th mainly discussed the Almond Blossom stall and the opening of the church on a Saturday.

Vigil Eucharist: the Vigil Eucharist is held on a Saturday at 5.30 pm: if at any time you are unable to attend a Sunday Service you will be most welcome at St Stephen's. Refreshments are provided after the service; with choice of bubbly or wine & nibbles (cheese, biscuits and dips).

Ministry: This month Fr Simon and Father Ted took the first and second Sunday services. On the third Sunday it was wonderful to have Fr Brenton and his wife Lyn attend our service as it was the first opportunity several members of our congregation have had to listen to Fr Brenton preach and to speak with him and Lyn over a cuppa after the service. We look forward to Fr Brenton taking more services at St Nicholas' in the coming months.

Youth Worship: This month the theme was based on the Good Samaritan and how Jesus told us that anyone and everyone is our neighbour. Another amazing drama had us all chuckling as sensationalist TV and news reporters tried to get some sense out of a humble Samaritan who stopped and helped a fellow traveller – just because he thought it was the right thing to do!! A lesson there for all of us in our daily journey. With great music and joyful singing as always, our young people were a pleasure to listen to and learn from.

Sadly, this was our last Youth Led Worship, run by our young adults, Iona, Isis and Isaiah. They are now taking on a larger but different role as part of the Anglican Services on Sundays each week at 5pm (*see p. 1*). Their enthusiasm and commitment to their youth service will be missed. However, we will continue with Family services on the 4th Sunday each month and encourage our much younger people in our congregation in their continuing faith journey.

Quiz Night at St Nicholas'

Saturday 27th October

Prayer Group Our group continues to meet at 10.15 on Tuesdays - a time of personal prayer as well as prayers for our troubled world and for peace everywhere. Our prayer chain has been busy with prayers and thanksgiving travelling along telephone lines and by email!

Fellowship: We have several members in our congregation on the sick list or in rehabilitation. Joy Inkster and Les Szalay are now both home but still recovering from their falls. Betty Leske is having hip surgery at the end of August with rehabilitation afterwards. We have regular pick-ups for people wanting to attend services but no longer having their own transport, and we visit those housebound. Helen and Colin Cook are still in Cairns but their son Christopher is on the mend and hopefully we will see them back with us in September.

Our next meeting is on the 21st September at 1.30pm. Lunch in the café is at 12.30. Those who wish to join us, please book your place with Cathy on 83924508 or contact Jane 0407651606.

Upcoming Events: On Sunday 9th September an **Anglican Expo** is being held at Seaford Christian Churches (SEM) from 1-5pm. Various agencies are attending this expo with information about their commitment to people, including ABM, BCA, Anglicare etc. Local Anglican churches will also have representatives and information about what they do. St Nicholas' Fellowship will be running a Devonshire Tea 1-4 pm and raising funds for ministry in the Western Fleurieu. Volunteers to help out are most welcome or just come and share afternoon tea with us. All Welcome.

We look forward to our **Quiz Night** on 27th October (*see below*).

Seaford Christian Churches (SCC): The Steering Committee is ready to finalise the day-to-day working and mission structure and work will begin on updating our constitution to reflect these changes. It is hoped that all can be put to the various congregations for approval at our AGM later this year. Please keep us in your prayers as we work towards our combined future at SCC

**Parishioner profile: Yvonne Scrutton,
Christchurch, Yankalilla**

Daughter of a country policeman, Yvonne lived in a number of country towns. She was married for 44 years. Her late husband, Peter, was the Norwegian Consul for South Australia and she travelled with him extensively. Their only child, Michelle, died at 47, leaving two young children, Alex and Maddie. Later Yvonne became partner to John Pettigrew who had been a teacher at Pulteney.

Yvonne was a high school teacher and taught at Woodlands CEGGS for twenty years. On her retirement to Yankalilla she volunteered for various associations, including Probus and Meals on Wheels, and was president of the bowling club.

An Anglican for all of her 82 years, Yvonne has held various positions in the church including Secretary and Peoples' Warden. In her old age (*her words!*) she is content simply to enjoy attending church each Sunday and meeting her many friends around the district. Yvonne is a wonderful helper who is always ready to assist with a reading or intercessions at short notice and is loved by all.

A piece of our history...

Ron King discovered a photo of the Yankalilla font and an article in the *Salisbury and Winchester Journal*, 13th January 1928:

"Before [being brought to Yankalilla] it stood 250 years in Salisbury Cathedral, England. A naughty boy scratched his name and date, 1790, upon it. The font was the gift of the Dean and Chapter of Salisbury Cathedral at the instance of Archdeacon Morse, who when visiting England in 1877 discovered it, put away in a side chapel, having been discarded for a newer one. It first stood on a wooden platform inside Christ Church, but when the baptistry was built it was shifted into that.

"The first child to be baptised in it after its move was the son of Mr and Mrs Arthur Roads, of Winulta, Y. P. The font cover was designed and made by the late Mr George Roads, of Yankalilla. The beautiful inlaid work was done by him when in his eighties, without the aid of spectacles. The font ewer was the gift of Miss Ellen Gilbert of Salisbury... The second font ewer (for warm water) was given by the Rev. H. J. Lovibond on leaving Yankalilla (1914)."

The **Combined Churches Op Shop at Normanville** has been operating for about 30 years with some of the volunteers having been involved since its inception. The shop is an initiative of the local Anglican and United churches and stocks a range of used clothing for men, women and children, bedding, crockery, glassware, books, toys and other items all of which are checked before going on display. Clothing which is unsaleable goes to provide cleaning rags for local businesses with some items going to the RSPCA to provide bedding for the animals, so nothing is wasted. Several of the volunteers even take home donated clothing to wash it prior to sale. That's dedication! A large and very dedicated team of volunteers work six days a week maintaining the stock and ensuring that the shelves and racks are full. The volunteer roster is always full and people enjoy working there so much that it is sometimes difficult to get a shift.

As well as providing a service for the locals a large number of holiday makers come to the shop, all of which helps to provide funds to enable the work of these churches to continue.

Celebration of St Ann, our Patron

On 5th August 2018 we celebrated in our Family Service the life and work of St Ann, and of other grandparents, including our own. The following Grandparents' Prayer merits wider use:

Heavenly Father, being a grandparent is a gift so incredible and yet so complex.

I pray for wisdom and guidance as I discover my life as a grandparent.

Help me to know when to speak and when to stay quiet.

Give me words to encourage and enrich.

Protect from harm each precious child of mine and when times of illness and challenge should fall give them strength to handle and grace to heal.

May I be a channel of your wisdom, comfort and peace, and may I pass on the faith, share tradition and plant the seeds of your love.

Amen

It happened that descendants of the Reverend Edmund King Miller (1820-1911), incumbent of Willunga, Noarlunga and Aldinga from 1863 to 1892, attended this celebration.

Prickle Team

The Prickle Team (which now includes Father Brenton) reported, at the August 2018 Meeting of the Friends of St Ann's, revenue, from Rose Pruning, of \$945 and was suitably congratulated. (See final figure, p. 10)

Baptism

On 19th August 2018 Deacon Peter Chapman baptised Evie Noble, daughter of Taylor and Justin Noble, who brought with them a contingent of family and friends equivalent in size to the usual congregation (who, of course, were there too and were more than happy to join in the welcome into

the Church of a new member of the Family of Christ, and in the festivities afterwards).

Working Bee

Diligence and devotion were the hallmarks of those joining with enthusiasm and keenness the Working Bee held in and around St Ann's on Sunday 26th August 2018, after the Service at which Lorraine and David Nitschke were congratulated on their 45th Wedding Anniversary, for which we sang :

*Blest be the tie that binds
our hearts in Christian love;
the fellowship of kindred minds
is like to that above.*

The working bee was a time of achievement and fellowship, and concluded with a barbecue.

Family Tea

The Family tea on the 24th August was a well-attended and cheerful occasion. The presence of visitor Janet Wells from London inspired one person present, well known for his mellifluous (and frequent) rendition of "Danny Boy", to break into "Maybe it's because I'm a Londoner", after which our esteemed organist uncovered the keyboard and accompanied a succession of songs from the UK and Australia.

The next Family Tea will be on Friday 28th September, 6.30 for 7 pm. All welcome. Bring food to share and bring your Friends!

The coveted St Ann's **Chocolate Frog Award** for otherwise unrecognised contributions to the parish has been awarded to David and Lorraine Nitschke (*photo below*) for the many ways in which they have assisted the St Ann's congregation and the WFA generally.

*Brian McMillan and Pat Roper, Wardens

News from St Margaret's, McLaren Vale

With this cold weather, many parishioners have preferred to hibernate at home, so attendance numbers have remained low. We have welcomed Fr Brenton and Lyn Dick to our parish and they are settling in well...Lyn busy getting the garden into shape and an MG sports car has appeared in the shed...one of Brenton's hobbies, so expect some other interesting vehicles appearing outside the rectory soon!

We are really enjoying having a regular priest in our midst and I think Brenton is coping with us well enough...we're a rum lot.....

Our **Prayer, Praise and Proclamation** service was really good this month...some solid teaching from Greg John about Christ as bread and wine, food for our souls... a very difficult concept for all of us, but handled very well. Jac Hocking made some little notepads with this inscription on the front attributed to Queen Elizabeth 1st:

'Twas Christ the Word that spake it,
He took the Bread and brake it:
And what that Word did make it,
That I believe and take it.

About as near as any to understanding this profound truth! Jac also created a yummy morning tea with bread, dukka, yummy dips and some wine gum lollies...next time it will be real wine! Thank you Jac...

Jill Ribbons has been hibernating and taking things slowly for now..we miss you Jill and look forward to seeing you at church again soon.

Lorna McGaffin is waiting for surgery on her hip and her shoulder...both are painful and make sleep difficult. Our prayers for successful surgery and swift healing, dear Lorna, we miss you too.

Where are you, John Carroll? Staying with his daughter, Chrissie while he convalesces from two rounds of Surgery, we think... Hope you're healing well, John, and looking forward to seeing you in our midst again soon.

If you know of anyone who would like a visitor, or needs prayer, please let us know so we can pray for them and organise visiting.

Blessings in Christ

Mission Action Plan

A meeting at St Ann's on the 19th August looked at the past, present and future of the Mission Action Plan adopted in 2015 at the direction of the Bishop. A number of things had been achieved over that time, and some of its initiatives had become normalised and absorbed into our regular ministry. However, the process had begun to lag, and much had changed in the past three years. It was time to let go of past structures and look at today's structure and needs.

Fr Simon saw a distinction between overarching goals of the WFA (which could be described as building up our faith, setting up sustainable structures, and starting the new service of worship) and localised goals which were the province of the individual congregations.

Some significant issues that were expressed in this context were the need for help to articulate our faith and build up confidence to do so, and the need for good communication to ensure provision of pastoral care.

*"We need a simple church logo
incorporating a cross, a Bible, a dove, grapes, a
lion and lamb, and two Dead Sea scrolls."*

News from Western Fleurieu Anglican Council

The August meeting was chaired by Ted Sandercock. Matters discussed included:

Sale of SSPJ building: An ongoing matter. An agent was being sought for the sale of the church. The cemetery as well as the church is State Heritage listed, and decisions need to be made about its future. Several of the plots at SSPJ have expired, with the 50-year lease expiring on others over the coming months. Lessees will be contacted with the suggestion that they consider a move to Willunga Cemetery.

A WFA list had been compiled of **WFA Pastoral Assistants, Eucharistic Assistants, Lay readers** etc, and listing what training for Safe Ministry etc had been completed and updated by each. The Council could authorise people for these roles. It was a national requirement that a "Faithfulness in Service" questionnaire (available from the Diocesan website or from the parish secretary) be filled in by all in those roles. It would need to be signed by a JP and mailed to the Diocesan Office.

Rectory at 17 Shell St, Seaford Meadows: Fr Simon reported that most things were now sorted, although there were a few minor problems to be dealt with.

Yankalilla Rectory had been rented out for some 15 or more years without being renovated. A decision on the future of the building needed to be made in the context of plans for local ministry. Necessary improvements would involve a new bathroom, upgrading the kitchen and laundry, painting and probably re-carpeting. Wardens were investigating the likely costs of bringing the Rectory up to diocesan standards.

Anglican Expo being held at SCC (see p.5): St Nicholas' would provide afternoon tea with scones. Proceeds to go to Peter Chapman for books.

Edmund King Memorial Dinner: Brian McMillan would discuss a possible event with the Willunga Recreation Centre. A number of people in Willunga were aware of the significant role the Rev'd E K Miller played in the area as rector, 1863-84.

Memorial plaques: The Archdeacon advises that the use of memorial plaques on items donated to the church is not current Diocesan Policy. Any donations can still be acknowledged, e.g. in *The Grapevine*. (This advice does not apply to those items already donated.)

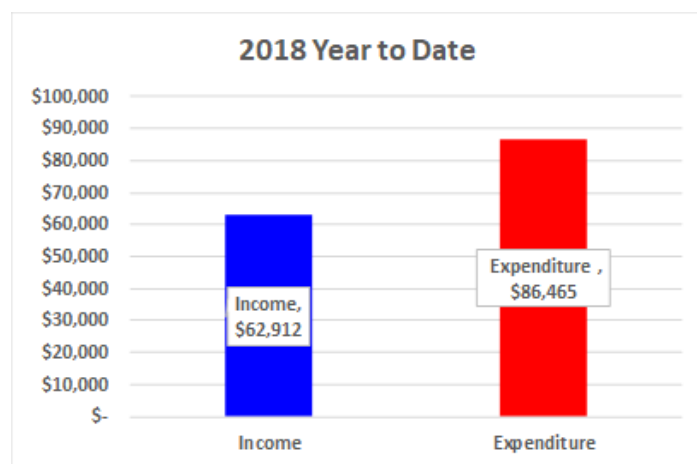

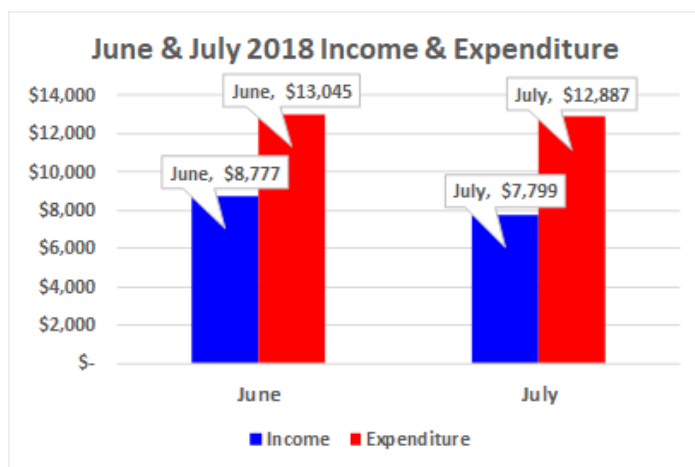

Pews: Diocesan approval had been given for the sale of St Ann's pews, and the purchase of chairs to the value of \$5000. Three **pews from St Stephen's** had been given on perpetual loan to Willunga House.

Finance Report

The Treasurer reported that our income has decreased, while our expenditure, although still within

budget, has increased (see graphs below). Giving is down \$5-6,000 on the same time last year and the Treasurer will have to transfer money from our at call account to be able to pay stipends. Expenditure cannot be cut any further. Electronic giving needs to be explained and encouraged, and the purpose for the collection could be included in the wording of our service. For those using electronic giving, tokens can be placed in the collection plate as a sign of people's contribution to the mission of the church.

Yankalilla and Delamere had decided to pay travel and a PTO fee to non-stipendiary Deacon Peter Chapman for services there, backdated to his first service as an ordained deacon.

Roses, Roses...

Trish Frith from the Prickle Team reports that this Rose Pruning season the team visited 29 gardens (43 hours) and raised \$1,320. Two pruners, Victoria and Bill, returned from overseas to help her get seriously busy. They were thrilled to have Fr Brenton join in the Prickle Team one cold afternoon— it was a very prickly introduction! Meanwhile Barbara Hill kept St Ann's garden and pine needles under control. \$300 of the money raised by the team would go to schools chaplaincy, and the rest to the parish budget.

Roses have prickles, Trish writes, but also petals. Try the following rose water recipe to add a distinctive flavour to muffins:

Collect petals from fragrant roses, place them in a saucepan with a lid. Cover the petals with water and heat slowly until barely boiling, then remove from the heat. Cool it, strain it into a receptacle.

Enjoy your roses!
