This is us!*

## A word from Brother Simon

Dear Friends,  
As you all have been aware, our parish has been working through our parish restructure over the past four years. The Parish map on p. 1 shows that we have a large area to minister amongst, with both urban and rural church communities and a variety of worship traditions.

As our parish council moved forward to develop our plan we chose to:

- Continue with 2 full-time clergy and 6 churches;
- Take advantage of the diversity that our lay services can provide, including committing to supporting and encouraging lay ministry of every kind within the traditions of our church;
- Ensure that we engage with the broader communities in which our churches are located; going out to them, not simply trying to get them to come to us as we have done in the past;
- Expand our ministry by enhancing our digital presence (Web, Pod Casts, On-line congregation etc);
- Manage our assets prudently and responsibly to ensure our urban and rural missional viability;
- Provide a safe pastoral environment for all.

Overall we are endeavouring to develop our missional culture and infrastructure so that we can share the good news, and create a little bit of heaven on earth in our area so it will be a valuable legacy to pass on to the next generation.

With this in mind a motion was presented to Diocesan Council: that Synod be requested to sell the property of St Margaret's of Scotland at 99 Main Road, McLaren Vale, but keeping a peppercorn lease of the church for the next 25 years. The money received was to be used to further the ongoing mission strategy of the Western Fleurieu Anglicans, including the purchase of two residential properties in strategic locations to enhance future growth; to allow for mission growth and/or be assets to fund mission into the future.

It was clear that to sell the property but then not proceed with the proposed investment in two residential assets was not an option for the parish, as this would not assist us to move forward with mission and ministry—in essence the plan was about “future proofing” for the unknown.

We have presented our case over the past two years to our Diocese. However, due to our inability to convince the Diocesan Council to allow us to complete our full restructure plan, we will need to develop our mission with our current resources.

Our mission objectives moving forward will continue as above. As part of our current configuration the two clergy will be based, one at Yankalilla and the other at McLaren Vale. We will therefore not sell the St Margaret's land, and my family and I will resume residency of the McLaren Vale rectory. The house at Seaford Meadows, having greater value for leasing, will be rented out to help cover parish costs.

We are looking forward to sharing the good news together.

God Bless *Br Simon*

### A Voice in the Wilderness: Listening to the Statement from the Heart

7 pm at St Ann's, Thurs 7<sup>th</sup> Oct—Thurs 25<sup>th</sup> Nov.

An 8-part study led by John Badgery, opening up conversation about the church's theological response to Australia's history, listening to what Aboriginal and Torres Strait Islander people are saying right now, and grappling with the question of what it is to be a truly Australian church.

The book is available in electronic format free at [www.abmission.org/voice](http://www.abmission.org/voice), or books can be ordered from the Anglican Board of Mission: [brad.chapman@abmission.org.au](mailto:brad.chapman@abmission.org.au)

## Snippets from WFA Council September, 2021

**The McLaren Vale site** (*photo p. 5*): A presentation of our Parish Mission Plan had made to Diocesan Council, but with DC unable to accept the WFA plans, the motion requesting the sale of the St Margaret's site was withdrawn (*see p. 2*). The Bishop had applauded the work done by the WFA in working on and presenting our plan for future directions.

Meanwhile, WFA would continue with its plans for mission. There had been a presentation by the clergy at St Margaret's on Wednesday 8<sup>th</sup> September, on exploring ministry to retirees.

The Seaford Meadows site, which was a legacy from St Philip & St James', would be let to provide income. In future it could be a possible site for a church plant or other ministry. Br Simons and his family would move back to McLaren Vale. For St Margaret's there was now a certainty, and there was satisfaction that there would be a vicar in the Rectory again.

The Rectory at McLaren Vale would need some serious maintenance as it had not been able to be rented out for three years, and had been understood to be facing eventual demolition. A list needed to be made of maintenance tasks to be undertaken to bring the building to diocesan standards. They would be prioritised and the

work done as quickly as possible so that the Seaford Meadows house could be vacated and rented out.

### Diocesan Council

Some members of WFA had been re-appointed, or Appointed, to Diocesan Committees:

Margaret Cale: reappointed to the Finance, Audit and Investment Committee

Ted Sandercock: again heading the Risk Management Committee.

Brian McMillan: appointed to the Legislation Review Committee.

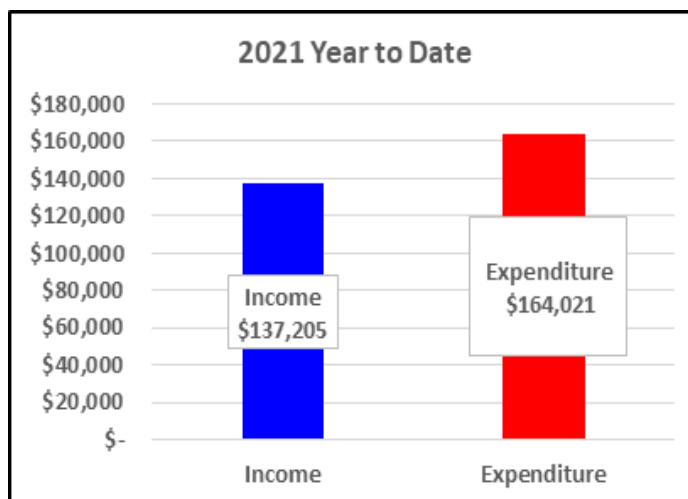

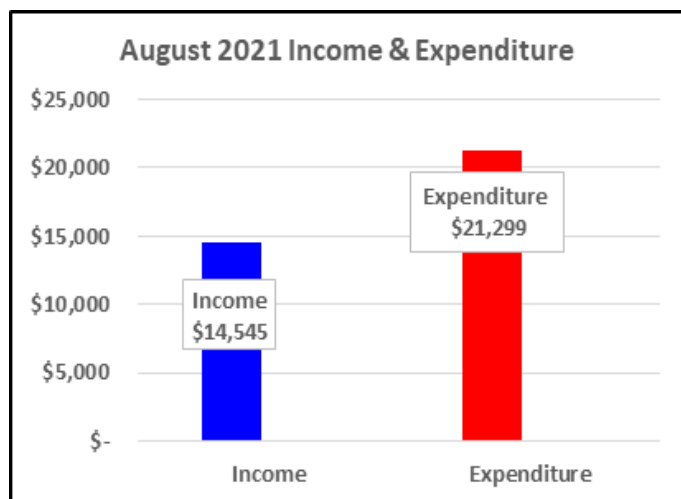

### Lay Education

The Bishop was keen to provide Certificate level training for lay people, and the WFA Wednesday morning Bible Study was piloting a programme "Handling the Bible" produced by Dr Tim Harris and Dr Katherine Benstead.

### Christmas Bowl

Promotion would begin at the start of Advent. We would not request envelopes, as there was a charge for them. Those not wishing to send donations online could place them in a plain envelope marked "Christmas Bowl" and put them in the offering plate. St Nicholas' made their own: it was a good fellowship time.

**Finance Report:** see graphs below.

A good way to support the ministry of our parish is to arrange our weekly offering as a direct debit. This gives a steady commitment to our church even when we miss a Sunday —and takes the worry out of finding cash on a Sunday morning!

## Yankalilla & Delamere

It's time to give the church gardens a facelift, get rid of a few weeds and possibly plant some more roses, as the ones currently there are looking a bit sad. This will be undertaken over the next few weeks.

Our community pantry is going from strength to strength and a donation from an unexpected and unusual source really boosted stocks. One or two of the ladies involved went to Birdwood to see how the pantry there operates. Whilst there they met some monks who regularly support the local pantry in Birdwood. As a result 5CY Pantry received a huge donation from the monks, Buddhist I think. The pantry will be packing and distributing Christmas hampers to families in need on 7<sup>th</sup> December in Christ Church hall.

On 17<sup>th</sup> October there will be a visit to Christ Church by parishioners of St Catherine's, Kilburn.

## St Margaret's, McLaren Vale

It was reported at the WFA Council meeting that the Friday Night Family Teas would resume in October and would be held on the first Fridays of the month – except for the first which would be on the 8<sup>th</sup> October.

The Bates family had mowed the lawns at St Margaret's, and done the whippersnipping, and Julianne had worked on the garden. Thank you Bates!

Julia Drought (R) and Judith Wells visit Colton Court every 2 months and take Communion. Greg has made a tape of favourite hymns so they can have music.

## Music in Church

Charles Moore (Lord Moore of Etchingham), a columnist in *The Spectator*, writing on reversal of parish decline in England, noted the appointment in the local parish of a young organist: he continued "... A parish that cannot make its own music will tend to be a parish without a song in its heart or a means of bringing new people in. A parish with good music is unlikely to die."

## Family Service 5<sup>th</sup> September

We reflected on the Letter of James from which the New Testament Reading was taken (James 2, 1-17). James refers to what he calls "the Royal Rule of the Scriptures" which, as he says, and as we all well know, is "Love others as you love yourself". James goes on to identify the principle by reference to which that Rule can be operationalised: "Talk and act like a person expecting to be judged by the Rule that sets us free".

And his best advice – which those operating in today's cancel culture, where any tiny deviation from current woke orthodoxy is greeted by screams of "outrage" in and through any and all available media, would be well advised to follow - is *Kind mercy wins over harsh judgment every time*.

Our Prayer of Confession referenced this:

Forgive us, Lord, for all the times we are too quick to form opinions, too quick to judge others; the times we don't give people the benefit of the doubt; or fail to consider what they might be going through. Open our eyes to see and our ears to listen, as you do.

## Garden Team

At the conclusion of the Family Service on 5<sup>th</sup> September Margaret Cale announced that the Garden Team would receive the traditional Chocolate Frog Award in the light of their work beautifying the church grounds, and their outreach by way of pruning and gardening for others.

Receiving their frogs, to sustained applause, were (L-R) Anne Chittleborough, Tony Young and Wendy Young, Barbara Hill, Patrusca Birkett, Frank Vincent, Victoria McKee, Trish Frith (Leader), Bill Cale and Jo Parsons, and (*in absentia*) De Badgery and John Badgery.

Trish Frith presented donations received on account of their pruning outreach, which overall totalled \$1,820. Well done, Prickle Team!

## Departure

The same day at morning tea we farewelled Jo Parsons, who had spent rather more time in Australia than she expected, thanks to the pandemic. We have been blessed by her contributions to a wide range of activities at St Ann's and beyond.

We presented to her a copy of *McLaren Vale: Trott's View*. Informing us of her safe arrival in England, on 17 September 2021, she wrote:

*... Thank you so much for your love and friendship during my time at St Ann's (McLaren Vale: Trott's View is now proudly and gratefully exhibited on our coffee table in Baldock). I would be grateful if you could please pass on my love and thanks too to those friends who don't have access to email. ...*

*Jo receives a farewell gift, applauded by Helen Davies, Julianne Bates, Trish Simon and Tristan, Margaret & John Morgan.*

We look forward to a visit from members of the congregation of St David's, Burnside, joining us on the occasion of our Family Service on the 7<sup>th</sup> November.

## Prayer, Praise and Proclamation Service 19<sup>th</sup> September

In this Service, led by Deacon Peter Chapman, we reflected on the words of Jesus as set out in Mark 9.35: "So you want first place? Then take the last place. Be the servant of all." (*The Message*). Our Prayer of Confession referenced this, seeking forgiveness for times when

*... I don't want to be a servant because I think I'm capable of greater things ... I don't recognise Christ in those around me because I'm too busy looking out for myself ... I don't understand what people mean, perhaps not understanding their feelings of fear or inadequacy ... I jostle for position, rather than being happy where you put me.*

## Quiet day

We look forward to our Quiet Day on the 11<sup>th</sup> October, led by Philip Carter, former Director of the Julian Centre for Spirituality, in the Diocese of Adelaide (*see p. 3*)

*Brian McMillan, Warden*

### Jumble Sale

The September Jumble Sale was a great success, raising \$1,775. 55 for the parish and providing lots of points of contact with the community. It was especially good to welcome members of WFA's St Nicholas' congregation, who brought goods not sold at their rainy day Car Boot Sale and joined in the festivities of the occasion. Bill, John and the shed team did an excellent job managing the unpacking and repacking of the boxes, De did a grand job sorting jeans and other clothes, as did Patrusca with the jewellery. The produce table was overflowing with good things, as was Rhonda's plant stall, and Pepper sold enormous numbers of books. Thank you Susan and Pat for the Devonshire Teas, and the sausage sizzle mob who were a huge hit. The triangle of land in front of the church was packed with visitors' cars. For the first time an EFTPOS device was available for sales. (*More photos online on p. 11*)

### Raffle

Barbara's "low key" raffle was drawn on Sunday 25<sup>th</sup> and raised \$220. Thank you Barbara!

We look forward to the ***Voice in the Wilderness*** studies which will be on Thursday evenings from 7<sup>th</sup> October to the 25<sup>th</sup> November, led by John Badgery and with guest speakers. (*see p 3*)

## St Stephen's, Willunga

**Our services** continue to be held on Saturday evenings, and are followed by drinks and nibbles and a chance to chat. Everyone is welcome. For those Willunga families unable to attend, the guide for a *Sunday Table Service* continues to be distributed as part of our pastoral visiting, and they are available to visitors on a Saturday morning.

On Saturday September 11<sup>th</sup> we successfully used recorded music from a selection of 20 well known hymns which had been prepared by Greg John for the Holly Nursing Home services (before COVID-19). Most of the congregation did not identify the singer. Yes, it was Greg!

Organ music for Saturday September 25<sup>th</sup> was provided by Felicity Warrington. Thank you, Felicity!

**The grounds:** After an inquiry about ways to cut down tall grass and weeds, Barry and Julianne Bates surprised us by mowing and whipper snipping the Western region of the grounds, with a follow up tidy up a few days later. Thank you, Barry and Julianne!

**The Saturday Night Out** dinner was held on

September 11<sup>th</sup> at the Willunga Hotel after the 5.30 pm Eucharist, and was an enjoyable evening. **The next Saturday Night Out will be held on October 9<sup>th</sup>** at the Willunga Hotel. Bookings and menu choice by Thursday October 7<sup>th</sup>. *Contact Ted at [sanderwt@bigpond.com](mailto:sanderwt@bigpond.com): copies of the menu by return email.*

Although the shifting of the Willunga Farmers Market to the High School has meant that only a few cars use the car park (with a subsequent decline in donations) the church continues to be open on **Saturday mornings** for prayer or a chat; and the grounds continue to be available for safe parking.

With the warmer weather the potted plants (thanks Trish) have been replaced with flowers. Thanks to members who provide them each week.

During October there will be home-made jam for sale on Saturday mornings – Apricot, Fig, Orange marmalade and Strawberry.

Help is needed Saturday 9<sup>th</sup> October for the Sausage Sizzle (*see p. 2*). Let your Wardens know if you can spare an hour or two. *Ted Sandercock & John Strachan*

## St Nicholas', Seaford

**Ministry** - We have settled into our routine of Holy Communion with Bro Simon on the 4<sup>th</sup> and 1<sup>st</sup> Sundays each month, Healing Service on the 2<sup>nd</sup> Sunday and our Family PPP Service on the 3<sup>rd</sup> Sunday. Our combined service with UCA, held on the fifth Sunday in August, was a wonderful time of fellowship and sharing of the gospel. With so many extra voices we managed to sing, with masks, and make a "joyful noise" in worship of our God. Father Ted led the Anglican service with the Uniting Church minister giving the reflection. Our next combined service is on the fifth Sunday in October (the 31<sup>st</sup>), when we will be guests of the UCA.

Our Family Service this month had the added bonus of a poem by Deacon Peter, which Helen read as part of our reflection. (R)

Sunara has been busy during the month, making gifts for everyone (specially wrapped soap – creating clean hearts) (R) and adding to the St Nicholas Notice board with various posters and craft ideas. We all look forward to seeing what special item Sunara makes to reflect the teaching and worship on each Sunday. We are already busy making plans for Christmas Services and are again holding a service of 9 Lessons and Carols on the Sunday before Christmas.

**Pastoral Care** – Ted and Joyce (R) were presented with cake, cards and wine to help them celebrate their wedding anniversary. Helen has returned after a long awaited visit to family in Alice Springs, and several other members of the congregation are back in the fold after surgery, illness or family visits. The Table Service and pew sheets are given out each week to those not able to attend services, and our prayer chain is kept busy with various requests, and thanksgiving for prayers answered.

**Fellowship** – At our meeting this month we sorted out items for the Jumble Sale at St Ann's where we will be selling items left over from the Car Boot Sale earlier in the year, all proceeds going to Parish Funds. Items donated

for quiz nights were sorted and 6 prizes were arranged for a raffle. Photos were taken and a poster will be made. Lyn Hann is making up books of 10 for all to sell (\$1.00 a ticket), and they will be sold in the café between services, at Tuesday night dinners, at Music for Pleasure and in the café at lunch on the Friday of Fellowship Meetings. Proceeds will go to the Ministry Training Fund and Home Mission Fund. It will be drawn on December 5<sup>th</sup>, our Patronal Day, at morning tea

### SCC Anniversary

7<sup>th</sup> November is the date set for our 25<sup>th</sup> Anniversary celebration. It will be held at 2 pm and followed by

refreshments. The service will be held in the Large Worship Space with invited guests from each congregation. COVID limits will probably still apply, so numbers have been set at 150 in the Large Worship Space with overspill in the Baptistry where the service will be broadcast as well. This will ensure that we have enough room to social distance and comply with all current and future COVID restrictions.

**Bible Study** – The Uniting Church and Church of Christ hold a Bible study on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesdays of month at 10.30 am – we are welcome to join them. It is hoped that we can begin our own study and prayer hubs in people's homes in time for Advent.

On Monday 6<sup>th</sup> September members of Mothers Union met again for friendship and fellowship at the McLaren Vale Information Centre.

Prior to the commencement of formal proceedings, we admired the beautiful hand-knitted jumper and beanie contributed to Quickest Warmth by Lucy Creed. Lucy is a tireless worker in creating and donating such items and we are grateful for all she does.

We were pleased to welcome Joan Lunn as a visitor. Joan provided us with some interesting insights into the challenges of being a young mother with a large family in the country years ago and the obstacles she experienced in joining Mothers' Union at that time. It was great to know that she finally joined us, and we have been blessed with her presence.

We expressed gratitude for the opportunity and freedom to pray together for others. We prayed for those who were experiencing domestic violence and homelessness, asking for God's guidance and that each of us is given the confidence to shine a light in, and on, such situations, and courage to provide the help that is needed.

Matters discussed included the importance of family and neighbours as a safety net (or "safety valve") in times of trouble, especially for those with children and those who

faced health issues or domestic violence or where family breakdown had left them with no family support at all.

Anne Chittleborough provided a report on MU's collection of donated items during August at St Stephen's for the Quickest Warmth Project. Despite the moving of the market some distance away from St Stephen's, a good range of blankets, pillows, quilts, and other items was delivered to the Anglicare collection centre in Elizabeth. Here packages of items such as bedding, clothes and household needs are made available to those who are homeless or have recently moved into other accommodation due to domestic violence etc.

The issue of the disposal of PFAS contaminated waste was discussed. As this is a matter that will affect the health, safety and wellbeing of children, families and the environment in the future, it was proposed, with the help of Jo Parsons and Trish McDonald, to draft a submission to the Environment, Resources and Development Committee requesting the appropriate and safe disposal of these materials. This is still in progress.

**Next meeting - Monday 4<sup>th</sup> October 2021 at the McLaren Vale Information Centre,**  
**and on Monday 18<sup>th</sup> October there will be a combined meeting with the Southern Suburbs MU group at the McLaren Vale Visitor Centre, 11 am for coffee, followed by lunch.**

If you have news of coming events or noteworthy happenings in the Pastoral District of Southern Vales to share with the rest of the parish, please contact the Editor, Anne Chittleborough, at 23 Esplanade, Pt Willunga 5173, ph 8556 5078 or email machit5@bigpond.com.au, preferably by the 15<sup>th</sup> of October

*Please notify the Editor if you wish to avoid the chance of being mentioned in this newsletter.*

## STOP PRESS

From Ted and Joyce:

Just a note to say thank you to all who are praying for our daughter Miriam.

Besides receiving chemotherapy for ovarian cancer Mim was struck down on Friday with a severe stroke. This of course complicates the cancer treatment. We were to fly up but have been persuaded by their son Tim ( Baptist Deacon) to postpone that trip. Miriam, we are told, is responding well to treatment.

## Vale Phyl Billinghamurst

Ted and Joyce Newing wrote of ex-parishioner Phyl Billinghamurst, who died on 7<sup>th</sup> September, 2021:

When the Billinghamursts lived at Sellicks they held Bible studies at their home. We remember not being able to get in the front door because of the wind. In the 1990s her husband Harry, who survives her, played the organ at St Ann's.

Phyl was deeply committed, with Trish Frith, to supporting the Cheshire Home in Ludhiana, India.
